Swopblock Investors,

Here is our Q2 2026 Use-of-Funds update.

This quarter we shipped major product milestones: we completed the MVP App UI on .NET MAUI 10, released a full walkthrough video of the build, and relocated our headquarters to Chattanooga, Tennessee: “Gig City.” These steps put us firmly on track for the exclusive investor app download later this year.

01

MVP version 1.0 complete

- ◆ We've been heads-down building our MVP App UI. Completed and revealed June 10th, 2026.
- ◆ Powered by .NET MAUI 10: one shared codebase delivers native performance across iOS, macOS, Windows, and Android... instantly!

02

Our MVP walkthrough video is up! Watch now!

- ◆ On June 10, 2026, we released a full video walkthru of the latest Swopblock app build on Wefunder.com/Swopblock
- ◆ The video showcases the complete UI, core features, and design rationale, ensuring every element reflects the power and uniqueness of the Swopblock protocol.

03

We've moved to "Gig City, USA"

- ◆ Chattanooga earned the nickname after becoming the first U.S. city to deliver city-wide gigabit fiber internet.
- ◆ Still one of the fastest ultra-high-speed networks in the country makes it the perfect HQ for Swopblock and the birth place of the Swopblock Network.

Exclusive Investor App Preview: 11/11

- ◆ Mark your calendar: November 11, 2026. That's the day Swopblock investors get first access to download the app.
 - ◆ And there's more: Version 2.0 will launch with an additional native crypto, expanding beyond BTC and ETH.
-

We're turning your support into real progress. The Swopblock App v1.0 has been built on MAUI 10. Be sure to watch our full video walkthrough on [Wefunder.com/Swopblock](https://wefunder.com/Swopblock). And now we're already deep into a v2.0 build on MAUI 11, an exclusive investor download coming this year. Grateful to have you with us.
